

Parkdean Holidays teams up with The Gulls!

Torquay United's Community Support Trust is providing football coaching for young holidaymakers at Parkdean's Torquay Holiday Park this summer

For six weeks during the British summer holidays, Parkdean Holidays' Torquay park will be frequented by 'The Gulls', not ones with feathers but footballs instead!

During this time coaches from the club will come to the park and teach children between the ages of four and 15 how to play 'the beautiful game', during hour long sessions once a week. Not only is this a great way to occupy the kids for an hour or so, but it's FREE too!

However if you'd like, you could always pay a small fee for the kids to have a guided tour around the Torquay United grounds and changing rooms as well.

Heading up this initiative from the Torquay United Community Trust is Frank Prince; "It has been a real pleasure to work with the children this summer, teaching them football skills is a really good way to spark interest in the sport, and it also keeps them active on holiday. It's been a great success!"

Stephen Brown, General Manager at Torquay Holiday Park comments; "Getting involved with local clubs is really good for developing our relationships in the community, Torquay United are a really great match because both organisations are enthusiastic about getting kids active. The children love having the opportunity to get some professional coaching, and parents are happy to have an hour to themselves!"

This programme seems to be going down a storm with everyone involved, and perhaps a child staying at Torquay Holiday Park this summer will realise their dream of becoming the next football sensation!

With spacious caravans and luxury lodge holiday homes, Parkdean Holidays' high standard of accommodation appeals to both families and couples looking for great value holidays.
