**PARKDEAN CELEBRATES AS NAIRN COMES SECOND IN WORLD'S TOP TRAVEL
DESTINATIONS FOR 2010**

Parkdean, one of the UK's leading holiday park operators, is celebrating TripAdvisor's latest announcement that Nairn, Scotland, is one of the world's up-and-coming travel destinations for 2010. Based on search activity and postings on the travel website, [TripAdvisor](#) compiled a list of top destinations to visit next year. Located on the Moray Firth, [Parkdean's Nairn Lochloy holiday park](#) is an ideal setting to enjoy one of the sunniest climates in Scotland.

Being narrowly beaten by Trocones in Mexico, Nairn is known for its glorious beaches where you can take part in dolphin watching and for the golfing enthusiasts; Nairn Lochloy is located next to two championship golf courses.

Nairn Lochloy is the perfect base for exploring the Highlands, with brand new accommodation including mod-con caravan holiday homes with a central lounge, an extra bathroom plus double glazing and central heating. Situated near Nairn's pretty marina; you can relax with a drink on the park terrace overlooking the sea.

With spacious caravans and luxury lodge holiday homes, Parkdean's high standard of accommodation appeals to both families and couples looking for great value holidays.

Parkdean has a total of 24 holiday parks throughout the UK, for more information or to book your Parkdean holiday:
